TUITION FEES and PAYMENTS 2025-2026

This leaflet sets out the tuition fees payable for programmes starting academic year 2025 and calendar year 2026 and the various methods of payment available. It includes a Payment Registration form, which is a check list of the documents you should provide us with so that we can make your payment process as smooth as possible. More information on fees and funding can be found on the Faculty of Education website pages at www.royalacademyofdance.org/he-fees

2. INVOICES

Students will receive one invoice for the whole year of study and this will show the total tuition fees payable. An invoice is not a payment schedule and will not indicate payment instalments. It is the student's responsibility to choose a method of payment that suits their financial needs and the programmes terms and conditions.

Unless you have told us and provided evidence that a third party will be paying some or all of the fees on your behalf, we will invoice you for the full amount of fees due and you will remain responsible for payment. Students will be liable for all tuition fees, even if a third party is paying part or the full amount.

Student Loan Company

It is the responsibility of the student to apply to the Student Finance England (SFE) and its regional equivalents for assistance, not the Royal Academy of Dance (RAD). Students who have been approved for a Loan through Student Finance must provide evidence to the Finance Department of the amount of tuition fees to be covered by Student Finance. The student will remain responsible for the payment of the Tuition Fees until such time as the Finance Department has received confirmation from the student that the Student Loans Company (SLC) will be paying it on behalf of SFE and that payment has been received. If your Student Finance loan only covers a portion of your fees, you will need to make arrangements to pay the difference directly to the Academy.

Dancers' Career Development Grant

Students whose fees are being provided for by Dancers' Career Development must provide evidence of the amount of fees to be covered by the grant. If your grant only covers a portion of your fees, you will need to make arrangements to pay the difference; however, the student will remain responsible for payment of all fees due until such time the Dancers' Career Development grant has been confirmed in writing and received by the RAD. Any payments received from the student in excess of that paid by the loan will be refunded to the original payer.

Sponsorship or educational grants

If you are being sponsored by an organisation or trust, then you must provide a letter from them confirming the sponsorship and how they wish to be invoiced. The letter from your sponsor must indicate the amount they are paying, the programme of study, how long the sponsorship or grant will last, and your name. If the amount for subsequent years is not quantified in the initial letter, you must provide a similar letter in subsequent years. Please be aware that if your sponsor withdraws your funding you will become personally liable for the payment of any outstanding fees.

If you believe you have been charged the wrong tuition fees or have any questions regarding student finance, please contact the Lead Assessments Officer in the Faculty of Education on +44 (0) 20 7326 8042 or email faculty@rad.org.uk.

What happens if I fail to pay my tuition fees?

3. STATEMENTS

The Finance Department will send out statements showing amounts due. This statement is a reminder of the tuition fees that you still have to pay. If your bank or credit card company has refused a payment, we will notify you.

If you do not pay your tuition fees by the due dates for payment, this may mean your access to facilities and access to materials online will be withdrawn and you will be recorded as a debtor by the Royal Academy of Dance.

The Faculty of Education reserves the right to suspend students who are in arrears on their fee payments from attendance or online access and cancel their registration.

If you have a concern about any payments you have made, please contact the Finance Department.

How can I pay?

4. METHODS OF PAYMENT

You may choose one of the following methods:

By Standing Order

You can pay your annual fees by standing order. You will need to set up the standing order from your bank account with the specified amount and due date of payments as stated in Section 5 and inform the Finance Department once this has been arranged.

By Credit/Debit card (single authority)

You may pay by Credit/Debit card. You must pay by single authority each time you need to pay, depending on your programme of study. Please telephone the Finance Department to make payment.

By Bank Transfer

You may pay by transferring fees directly from your own bank account to the Academy's bank account. All charges must be borne by the transferor. Please ensure that your name (not the transferor if different from yours), the account reference **which will be on your invoice** and your Invoice Number is given to the bank to ensure we can identify the payment. Failure to do so can result in your payment remaining unidentified and your fees considered being outstanding.
